Non-Business Credit Requirement: The AACSB requires that CBE majors complete at least 90 credits of non-business courses as part of the 180 credits required for a degree. You're OK on this requirement as long as you follow this planning sheet and take NO MORE than 6 additional business credits. If you take more (or plan to take more) than 6 additional business credits at Western, please see your advisor or come to PH 451.

Seniors! Here's what we need (in PH 451) to do your major evaluation: This planning sheet (completed), a list of the courses you are planning to take prior to graduation *and* what quarter you plan to take them, *and* copies (Xeroxes are okay) of the transcripts for any business courses (listed on this sheet) that you did *not* take at WWU.
